CEIBS' MISSION AND VISION

THE CEIBS MISSION

To educate responsible leaders versed in
“China Depth, Global Breadth”.

THE CEIBS VISION

To become the most respected
international business school in the
world by linking China and the rest of
the world in teaching, research, and
business practice and by promoting
China’s social and economic
development through high-impact
knowledge creation and dissemination.

MESSAGE OF THANKS

This year marks the 20th anniversary of the CEIBS Education Foundation. On this special occasion, we extend our deepest gratitude and heartfelt respect to all our alumni, donors and friends from all walks of life who have walked alongside us on this extraordinary journey.

Since its establishment in 2005, the Foundation has stood as a steadfast supporter of CEIBS' mission. As we celebrate the school's 30th anniversary, we are proud to share a series of remarkable milestones: our Global EMBA programme has topped the Financial Times rankings; our MBA programme has ranked first in Asia for nine consecutive years; a record 18 professors have made Elsevier's list of Highly-Cited Chinese Researchers; and eight professors have been included in the 2024 World's Top 2% Scientists list. These accomplishments reflect not only CEIBS' relentless pursuit of excellence but also the unwavering support of our donors. More impressively, during CEIBS' 30th anniversary celebrations, our alumni participation in personal donations reached nearly 15%—a historic high—reflecting the deep bond between our graduates and their alma mater. Their commitment extends across our five campuses on three continents, advancing CEIBS' teaching, research, and talent development, and further amplifying the impact of Chinese management education on the global stage.

About the
Foundation

About the Foundation

Founded in 2005, Shanghai CEIBS Education Foundation (hereinafter "CEIBS Education Foundation" or "the Foundation") is a legally recognized AAAA-level, charitable organization, through which CEIBS students and alumni, as well as people from all walks of life, can make gifts or in-kind contributions to the school to support its development in teaching and research, student financial aid, campus construction, and other endeavors. In 2023, the CEIBS Education Foundation received a full score of 100 on the Foundation Transparency Index (FTI).

CEIBS is a shared home for all its alumni, each student both contributing to and benefiting from its continued success. Without the unwavering support of its alumni, CEIBS would not make it to the list of the world's top business schools.

Your support enables the school to recruit prominent faculty from around the world, conduct cutting-edge research, attract exceptional applicants, and create an inspiring campus environment that fosters our sustainable development. Every gift you make is used to better serve our students and alumni, and ultimately to benefit society as a whole.

Organizational Structure for Fund Investment

In order to maintain and increase the value of donated funds and use donations more effectively, CEIBS Education Foundation has set up an organizational structure for fund investment and management with strict accountability rules. The structure consists of the Board of Directors, Investment Decision Committee, Investment Steering Committee, and Investment Expert Group.

The Board of Directors

has the right to supervise and make final decisions on the Foundation's fund operations.

The Investment Decision Committee

is held by the Executive Board with day-to-day investment decisions and supervision.

The Investment Steering Committee

comprises of CEIBS professors and external experts (alumni). It formulates investment procedures and developing investment strategies based on market conditions.

The Investment Expert Group

is made up of members from the CEIBS faculty and experts, and handles routine investment tasks at the Foundation.

The CEIBS Education Foundation is devoted to establish an ESG investment system. The Foundation incorporates ESG criteria and values into its investment considerations as part of its commitment to greater social responsibility.
